

I am a mother of three children (two teenagers). Radio station K-LOVE not only provides my family with enjoyable upbeat Christian music, it allows my children an alternative to the filthy lyrics and mind-altering music on other stations. I know of many in our community listening to K-LOVE and lives that have been changed for the better because of this wholesome station. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, it would be devastating to our community. Whether or not you are a Christian, please consider the mission of K-LOVE and the wholesome programming it provides to the people of Colorado and all over the United States. Our kids and families need this positive influence in our lives. Thank you for your consideration.
